

Certification Center Security of Würth IT GmbH

Certification body for information security according to ISO/IEC 27001 and IT security catalog pursuant to Section 11 (1a) EnWG

Questionnaire on the framework conditions for a certification procedure according to IT security catalog pursuant to Section 11 (1a) EnWG

Application for certification

General

With this application for certification, the applicant does not enter into any obligations prior to the conclusion of a contract. Rather, it serves to determine the framework conditions of a certification procedure as a basis for the preparation of an offer. A certification contract is only concluded with the written acceptance of the subsequent offer.

Your request for

- Initial certification
- Re-certification
- Pre-audit
- Internal audit
- Extension of the scope
- Free information interview
- surveillance audit
